卷之九

[Faint handwritten notes and calculations, possibly related to the above entries.]

To the worshipful court of Southampton county sitting in
Chancery humbly complaining sheweth to the Court your orator
William Edmunds of the county aforesaid,

That sometime in the year 1785 or well as your orator recollects,
he being seized in fee of a water grist mill & a small parcel
of land thereto adjoining, a moiety whereof, was however held
- just to the life estate of his mother Ann Edmunds, did make
Sale of the same to a certain Henry Turner for the sum of one
hundred & thirty pounds, to be paid upon or your orator could
& did make a good & sufficient conveyance of the same, and
bound himself in a bond that he would do so, in or before the
day of

178. not doubting at the time but his mother
as it was for your orator's benefit would relinquish her interest
in the same in which however he found himself greatly mistaken
for by means of her refusal during her life and the death of
Henry Turner which happened about five years after the contract,
and the backwardness of Henry Turners representatives refusing
to come forward and to comply with the contract, a conveyance has
never yet been made. Here it will be necessary to suggest to

The Court that your orator had dealings with the said Henry
during his life, and after his decease he purchased of his estate
of a certain William Turner the said Henry's administrator and
to the amount of about £14. and rented the said mill at about
£16. which with the account contracted with Henry Turner & the
interest in the same to June 1800. amounts to £120 for which a
certain Benjamin Blunk the admr. de bonis man. of the said Henry
instituted his suit & obtained a judgment in this Court upon

orator not being at liberty to give his account for the land aforesaid
in evidence the same having never been conveyed according to contract
your orator further shews to the Court, that his mother who
was interested in the land is also deceased, and he is now able
& willing to make a conveyance according to agreement, but the
said Benjamin Blunt the adm^r of aforesaid refuses to come to
any adjustment upon the occasion or to pay the balance that
will be due to your orator, altho the said Henry & his heirs has
been in possession of the mill & land ever since the agreement
aforesaid took place, and further threatens to see due execution
on the aforesaid judgment, which circumstances your orator can
but complain of, as being hard, oppressive & contrary to every
principle of justice.

Intender Consideration whereof

and for as much as your orator is remedied at Common Law
and only & properly relivable in a Court of equity

To the end therefore that the said Benjamin Blunt the adm^r
of the said Henry, Turner who your complainant prays
may be made defendant to this bill of Complaint, may upon his
Compel oath full, true & perfect answer make to all & singular
the allegations in this bill contained, and that as fully & sufficiently
as if the same were again herein repeated & interrogated, but
especially that he shew further, whether your orator did not give Henry
Turner a bond, binding him to convey the said land & mill agreeably
to your orator's statement, or to what end was that bond given.

And that your worship will injoin the said
Benjamin Blunt & all others concerned from further proceedings

at Law on the judgment aforesaid until this matter is fully
heard before this Court of equity; And then decree that upon
your orator making a deed of conveyance in fee of the said
mill & land to Henry Turner heirs or devise as the Court may
be that the said defendant out of the estate of his intestate pay
to your orator £101 — being the balance according to
the statement annexed after paying the said judgment and
that the same be forever enjoined or do make any other or further
order or decree in the premises for your orator Relief or may
be justable.

May it please the

My judgment of Southampton Court Esmond 120

Shamplin July 21. 1800

The truth of the allegations of the foregoing bill shewn to be true

James & Mears Esq^r
W. Edmunds sworn & interrogated in Court as to the truth of this
bill

Answer
to
Edmund Burke

The answer of Benjamin Blunt Adm^r D.R. North
the Willam^r of Henry Turner ad^r to a Bill put into
the court of Southampton by William Edmunds to in-
join a judgment obtained in said court against him
for the sum of £120 & costs by said Adm^r who saith

That he admitts that his Testator did purchase a Mill
and land of said Edmunds, and that Edmunds did give
~~him a bond to compel him to make conveyance of the~~
same, ^{which bond is now in the hands of his Opp^r} but he does not know the price of his own knowledge

that Turner was to give ~~him~~ He has however been informed
that there were two bargains made for said Mill & Co. by
the first a full right and title in fee simple was to be made
by Edmunds to Turner, and that M^r Ann Edmunds
Mother to said William had a life estate in one half
the said Mill & Co. and refusing to give up her interest
in the same the bargain was void - A second bargain
there took place, by which M^r Edmunds was to keep
his right during life, and that William Edmunds was
to convey all his right, title and interest in said Mill
& Co. to Turner, for which Turner was to give the sum
of £75. and at that time Edmunds was in Turners debt
which debt was to be deducted from the said sum of £75.
The balance to be paid within some short period from
the date of the contract, which balance this D^y verily
believes was paid agreeable to bargain, he is induced to this
belief from his knowledge of the ability and uprightness
of said Turner, and also from examining the books of his
Testator & other circumstances, and here he requests the liberty
to draw some remarks from said books, together with a letter
in Edmunds hand writing &c - Bond for conveyance
dated 25 Feb^r 1706, Act begun on T^uesday 30. August 1706

Agreeable to a commission to us directed, we have proceeded to take the following depositions in and depending in the county court of Southampton between W^m Edmunds and Benja^a Plunt ad: P^o of Henry Turner, the parties being present.

Benjamin Turner of lawful age deponeth and saith that on or about the Beginning of the year 1786 this Deponent understood from William Edmunds & Henry Turner that he Turner had purchased of Edmunds a Mill held jointly by himself & Ann Edmunds his Mother; that some time after this he happened at Henry Turners with the said Ann Edmund, who declared she would not confirm the bargain made by her son with the said Turner, that some time afterwards he was present when the S^r. Edmunds & Turner concluded a bargain for the S^r. mill, subject to the S^r. Ann Edmunds right therein & for his the said Edmunds right, the said Turner agreed to give the sum of twenty five pound - that he understood from the parties that the S^r. Edmund was indebted to the said Turner, the amount whereof was to be deducted from the purchase of the Mill, the Balance to be paid to the said Edmunds in some short time after, but the precise time of payment this deponent does not recollect. If further this Deponent saith Question by Benja^a Plunt Did you, or did you not understand by the parties, that Henry Turner, in the first Contract for the Mill was to have an Absolute right to it - Ans^r. Understood he was - And further this Deponent saith not - his
Benjamin Turner

Henry Barrow

Thomas Fitzhugh Senr. of Lawfull age deposit & sayeth that William Edmunds happened at his House (as well as he recollect) in the month of Sep. 1789 - that a swap of Horses was proposed & finally took place, that Edmunds after the swap, was concluded, observed that he had partly sold the Horse for which he had swapped fourteen pounds, this Deponent enquired if it was for cash he had sold him, the said Edmunds replied that it answered him as well, as he expected to sell the Horse to William Turner, who lived with Henry Turner (in the Capacity of a Clerk,) to whom (as this deponent understood by the the said Edmunds) he was indebted, and further this deponent sayeth not.

Question By William Edmunds did I ever have but one Horse & you. Ans. you did not -

William Turner of Lawfull age deposit & sayeth that after he qualified as coor of Henry Turner he made repeated application to William Edmunds for a balance which appeared on the books of his testator against him that the said Edmunds in the course of his

Applications for the Amount of the Acc^t. offered him five pounds extraordinary if he would take other M^{on} bonds to the Amount of his claim This deponent further saith, that Edmunds never made known to him any set off against his claim or acc^t. as afo^r., that Edmunds observed to this deponent some time in the latter part of Dec. 1797, that a Mill which he had sold his testator had never been paid for, and that he believed he must still hold the Mill, which was the first time this deponent was know of any claim which the said Edmunds had of any kind against the estate of his testator.
