To the Worshipful Court of Southampton County
sitting in chancery humbly complaining
sheweth to your worships your worships
your orator ~~the said William~~ George
Manning William Manning & George
Manning infants & heirs of Lucy Manning
deceased by Micajah Holliman their
next friend. Here your orator Micajah
says leave to represent to your worships
that by the death of Lucy Manning
the said infants George Manning
& George Manning became entitled to
about 80 acres of land as heirs of the
said Lucy. That the said land is
poor & does not exceed in value
three hundred dollars or one hundred
dollars to each child proportion that
the land is unproductive it is his
advised course to the interest of the
infant complainants very much to
have ~~that~~ sold on a reasonable price
as the tract already very small would
sell better together than if cut into three
parts & forasmuch as the parties cannot
be relieved & a sale be effected without
the equitable interposition of your
worships sitting as a court of chancery
the pray your worships to make
Rever Barker who is the administrator

of Lucy Marnay decd & who in ^{her last will} ~~her last will~~ holds the property of the said ~~Lucy Marnay~~ ^{Lucy Marnay} answer the facts herein set forth that he be required to say whether the lands aforesaid do descend to your infant complainants whether they exceed the quantity & value before charged & moreover whether it will not conduce to the interests of the parties that a sale be decreed by your worship or a credit by suitable commissioners appointed by your worship & that your worship be pleased to decree a sale according to the rule of this worshipping court to grant the commission at the suit of the said ^{Lucy Marnay} ~~Lucy Marnay~~ ^{Lucy Marnay} further I general relief as a party interested & as in suits they will ever pray for

This respondent saving to himself all fault benefit of exception to the complainants bill for answer thereto says. it is he believes true as stated that the lands in the bill mentioned are poor & of not of greater value than he believes there are about eight acres that he believes it would be productive of great

to decree a sale of the lands in an such regulations as in the opinion of this court may be convenient proper that he at present rents the lands out since there was no guardian appointed to administer the interests of the heirs he has thereupon no objection to the decree proposed having now answered as far as he is advised it is material he should be paid since to be decreed as in suits he will ever
