1858 March Rules

(276 words)

To the Hon. Richard H Baker Judge of the Circuit Court for
the County of Southampton

In Chancery

Humbly Complaining sheweth unto Your Honor
your Obedt Spikes Beal that in the year 1836
he entered into a partnership with Ichabod Cobb
and Albert Cobb to purchase trees and get them
up into staves and other timber, which said part-
nership was to continue during the year 1836
and in which they were all three to be equally
interested. That they accordingly proceeded to
purchase trees and got up a large quantity of
timber much the larger part of which was
sold in the year 1836 by the said Ichabod and
Albert Cobb who chiefly superintended the
business as your Obedt is an ignorant
man not able either to read or write; and
that at the expiration of the year 1836 your
Obedt with the consent of his said partners
withdrew from the firm leaving his said
partners to carry on the business, and that
at the time of his withdrawal there was on hand
cut and unsold forty five thousand pieces
of timber to wit; fifteen thousand white oak
having ten thousand white oak hoghead siding
and twenty thousand red oak stave which the said
Ichabod and Albert Cobb ^{undertook} to sell and account for to
the firm, and that they have sold the said timber
but have refused to account to your Obedt
for more than having five thousand pieces
of timber, That your Obedt has repeatedly
sought to obtain from them a full and fair
settlement of the partnership transactions
but has been unable to induce them to
come to a fair and just settlement, and that

Your brother is satisfied that upon a fair settlement
the said Lettice and Albert Cobb would be found con-
siderably in your brother's debt

In tender consideration of all which and in as
much as your brother is without remedy in
the premises except in a Court of Equity
where matters of this kind ^{are cognizable} and to the end there-
fore that justice may be done he prays that
the said Lettice and Albert Cobb may be made
dependant to this bill and answer the
allegations therein, and that an account may be
taken of all and every the said partnership trans-
actions from the time of the commencement thereof
and also an account of all money received and paid
by your brother and the said dependance respectively
in regard thereto, and that the said dependance may
be decreed to pay to your brother what if any thing
shall upon the taking of the said account appear
to be due to him, your brother being ready and willing
and ready offering to pay to the dependance or either
of them what if any thing shall upon the taking of
the said account appear to be due to them from
your brother and that your Honor will grant
such other and general relief in the premises
as Equity may dictate, and as in duty bound he
will ever pray so may it please your Honor

Answer of Albert W. Cott.

1858 May 3^d by leave.

The separate answer of Albert W Cobb to a bill in chancery in the Circuit of Southampton brought by Spikes Beale against him and Father Cobb

This defendant for answer to the said bill or as much thereof as he advised it is material for him to answer answering says, that it is true that a partnership was entered into in the year 1853 between him Spikes Beale and Father Cobb for the purpose of getting staves etc and continued until the last of that year, that the partnership was then dissolved Spikes Beale going out and this respondent and Father Cobb continuing the firm, This defendant states further that on the 3^d of Jan'y 1857 there was a settlement of the partnership transactions at Franklin by A. W. Norfleet who had purchased all the staves that had been sold by the firm up to Nov 1st 1856, amounting in round numbers to some 100,000 staves and in this number was included some 3000 staves worth \$30 a thousand which belonged to this defendant and which the firm now owes him and that each partner received his full share of the purchase money from A. W. Norfleet,

Though at this time each partner drew his full share of the purchase money, there were then some unascertained debts outstanding against the firm, This defendant who superintended the getting and selling of the staves, states that Spikes Beale is wholly in error when he says there were some 45,000 staves on hand belonging to the firm when he left it and for which it is accountable to him. But an account herewith ^{marked A} enclosed. This defendant states that he sold after Beale left the firm 26913 staves for the net sum deducting freight of \$613.63 etc which is now the whole assets of

The firm of Cobb Beale, & Cobb except it may be there
are now some 1500 shares in the works in Sussex
which this defendant does not consider himself
any more bound to Beale for than Beale to him as
Beale may take possession of them at any time he
desires. This respondent states that the firm of Cobb
Beale Cobb, now owes to him the sum of \$90
abroad, the sum of \$13.75 to Jais Peter & Sons
Labrousse, \$46.74 to account due and Jais Thos
Sledge, \$28.97 to Jais Aldridge & Fitch, \$190.51 to
Jais B. Babbit \$150.00 to Jais J. W. Spiers \$122.50
Jais Jas. W. Niblett. \$33 for money expended for firm
and hauling staves all these were debts owing by the
firm and paid by this defendant, as will appear
by his bill of particulars herewith filed marked B
enclosing receipts in due and prayed to be taken as a
part of this answer. This defendant states further
that he has always been ready to settle and account
with Spike Beale and is satisfied that upon a
settlement of the firm, it will be found indebted
to him and having fully answered prays leave
to be dismissed with his costs etc.

The separate answer of John Cobb to a bill in
chancery in the Circuit Court of Southampton brought
by Spikes Beale against him and Albert W Cobb

This defendant for answer to the said bill or
as much as he is advised it is material for him to
answer, answering says, that it is true that a
partnership was entered into in the year 1853 between
him, Spikes Beale and Albert W Cobb for the purpose
of getting staves etc and continued until the last
of that year, but this defendant becoming dissatisfied
with the conduct of Spikes Beale the partnership
was dissolved Spikes Beale going out, and this
defendant and Albert W Cobb continuing the partnership
This defendant states further that on the 3^d of Jan'y
1857, there was a settlement of the partnership transaction
at Franklin by A. W Norfleet, who had purchased
all the staves that had been sold by the firm up to the
1st of Nov 1856 amounting to some 100,000 staves
in round numbers, and that each partner received
his full share of the purchase money from A. W.
Norfleet, for the staves belonging to the firm, though
at this time each partner drew his full share of
the purchase money, there were then unascertained
debts outstanding against the firm, this defendant
states further that there were some staves belonging to the
firm in Sussex and Dinwiddie Counties this respondent
does not of his only personal knowledge know the
number, but Albert W Cobb one of the partners who
superintended the getting and sale of the staves
has accounted for 26910 staves sold for \$884.53 cts
and deducting freight and charges of \$273.50 leaves
a net balance of \$613.53 cts now due the firm
this respondent states further, that the firm owes to
him the sum of \$295.52 cts, for negroes hired

to the firm, accounts paid of debts due by the firm
and board of hands, all of which will soon fully appear
by a bill of particulars herewith filed marked A
enclosing bonds, receipts &c and prayed to be taken as an
affidavit of this ~~fact~~ ^{answer}. This defendant states further that
he has always been ready to settle with Spikes & Beale
in the manner above set forth, and is satisfied that
upon a settlement of the transactions of the firm
he will be found indebted to the firm, and having
fully assumed this defendant prays to be discharged
with his costs &c

Wright a justice for the county of Superior -

Daniel H. Barge being first duly sworn deposes & says in as follows

I lived in 1856 on the land of John Spruce in Dinwiddie County. He Spruce sold his timber to the Cobbs for one hundred & fifty dollars in 1856. I think there was four or five hands got timber there ~~all~~ of that year. I was frequently in the woods hunting I thought the quantity of staves seen in the woods was about ten or twelve thousand. & the quantity I saw at the road hauled out about the same quantity. I have hauled a large quantity of staves and counted a great many for other person and feel competent to judge a bulk. the staves above mentioned I saw about Christmas 1856. there is no staves in the woods at this time. the Plaintiff's team assisted in hauling

out the staves mentioned before, the timber the staves was gotten out of was white & red oak, larger portion red. there was a portion of the stave heading. a part of the staves gotten off this land had been hauled off before I made this estimate. I mean to say that there was ten or twelve thousand in the woods & the same quantity at the Rail Road at the same time & there had been some hauled away previous to that time.

Question by defendants Council

State how many staves and in what year they were cut. I suppose there was cut in '56 some twenty or twenty four thousand that I saw and there had been some hauled away that I did not see, and in fifty seven I suppose there was gotten some forty or fifty thousand.

Question the second by same.

Were these staves cut and gotten for the firm of Beal Cobb & Co. answer I do ~~not~~ know Albert Cobb attended to the getting of them.

Question 3rd by the same. do you know whether or not Spikes Beale has not received his share of the purchase money for the staves answer I don't know.

Question by Pliffs Counsel - were all the staves you here spoken of got on the land of Spikes Beale answer ~~yes~~ they were.

and further this defendant said, no.

Daniel H. Barge
James is Nible & him, and sworn depositions & said. Question by Pliffs Counsel - State how many staves you hauled from the land of Peter & Bobbit & Co. to the Cobb & Beal, at what time you hauled them and at what time said staves were cut.

answer I hauled according to Albert Cobb's statement between eighteen & nineteen thousand, I hauled them in August '57. they were cut in '56, since Cobb gave me the statement I have hauled out three hundred more.

Question by defendants Council.

State how many staves and in what year they were cut. between eighteen and nineteen thousand were cut in '56 and there was three hundred hauled after them.

Question 2nd by same. Were these staves cut and gotten for the firm of Beal Cobb & Co. answer Albert Cobb told me so.

Question by the same, do you know whether or not Spikes Beale has not received his share of the purchase money for the staves. answer, I know nothing about that.

Question by Pliffs Counsel - Have you been employed by Albert Cobb to haul out the staves now remaining on Bobbit's land which were got in 1856, and if so state how many you think are now remaining.

on the land, also stole what King & Stairs you
would out, answer. I was so employed by Albert,
Cobb, at five dollars & fifty cents per thousand. I do
not think there is many now remaining in the woods.

"I lived with Mr. Spikes Beale in the year 1856.
Question by plaintiff's counsel. Did you hear Mr. John Cobb
say how many Staves there were cut & unsold belonging to
the firm of Beale & Cobb's at Mr. Naflect's Cabin-
Room.

Answer. Yes sir, I heard Messrs Albert Cobb & John
Cobb say that there was \$15,000 - 15,000 heading
10,000. White Oak Staves & 20,000 Red oak Staves
and that they were all hauled out on the rail road
except about 5,000 that were on the Islands.

Question by same. Did you understand them today that they
had that number besides what they had already sold
Naflect.

Answer. They had settled with Mr. Naflect at that
time & I understood them today that they had that number
unsold.

Question by Defendant's Counsel. How long ~~was~~ were you
present at Mr. Naflect's Cabin Room at the time
of the settlement.

Answer. I went in with Mr. Spikes Beale & staid
there until ~~they~~ ^{he} left & I believe they all left
pretty much the same time.

Question by same. Was there not a misunderstanding
about the settlement between Mr. Beale & the Messrs
Cobb?

Answer "Not that I knew of"

Question by same. Did they settle at that time.

Answer "They said they settled"

Question by same. Then there was no misunderstanding
about the settlement.

Answer. "Not that I know of - we all ^{came} way
pretty much together." If there was I did not
hear of it."

30 July 1858

The Examination William Cobb, Nelson B. Gardner, Wiley
Cammell, W^m E. Perkins and Dimpsey Johnson
Witnesses of lawful age Taken on this 30th day of July 1858 before
me Henry S. Howard, one of the Commissioners in Chancery
of the Circuit Court of Southampton County at my office, in the
Town of Jerusalem, to be used as evidence in a certain matter
of account referred to me the said Commissioner by a decree of
the said Court rendered at the May term 1858, for settlement
in a suit in chancery depending in the said Court between
Spikes Beale plaintiff and Jethro Cobb and Albert
Cobb Defendants on behalf of the plaintiff

The Defendant William Cobb being first duly sworn deposes
and says: I heard Mr. Spikes Beale say he had paid to
Mr. Henry Cobb eighty Dollars in the presence of Mr Jethro
Cobb & Mr. Albert Cobb and they nor either of them denied
it. I understood that the money was paid for the benefit
of the firm. I heard Mr. Beale mentioned that Mr. Al-
bert Cobb had retained in his hands \$25.00 and I did
not hear either of the Cobbs deny it, but Mr
Jethro Cobb said that he thought Albert Cobb
had done enough for the firm to let him retain that
amount. Mr. Albert Cobb did not deny it.
This was at Franklin about Christmas 1856.

Question by plaintiffs Counsel. Did you either of
the Cobbs say anything about the number of staves
that remained on hand after the settlement between
Beale and the Cobbs?

Answer. I heard something said about the staves,
but I do not recollect, how many they said there
was remaining on hand.

Question by Defendants Counsel. The plaintiff
admits that eighty Dollars was also paid by
Mr Jethro Cobb to Albert Cobb.

Question by same. Did not Mr. Albert Cobb say
in the same conversation that he went up there with
twenty five dollars of his own money and only
spent twenty five Dollars.

Answer. I do not recollect.

And further Question by same. Did you not hear Mr.
Jethro Cobb and Mr Spikes Beale disputing
about the number of staves remaining on hand?

Answer. I don't think there was any dispute between
Mr. Beale and Mr. Cobb about their settlement
that I heard. They seem to acknowledge each

The Dependent Nelson B. Gardner being solemnly affirmed deposes and says:

Question by Defendant's Counsel. Were present at Franklin about Christmas 1856, or ~~on~~ ^{or somewhere the first of January 1857}, at a settlement between Mr Beale & the Messrs Cobb. Will you state the conversation.
Answer. I was present at Franklin the last of 1857 or the first of 1858, a part of the time, at a settlement between Mr. Beale & the Messrs Cobbs and I heard Mr. Beale say that there was a certain number of Staves left in hand and that Mr. Albert Cobb & Mr. Jethro Cobb had told him so, when Jethro Cobb said to Mr. Beale he had not and that he must take it back. I do not know whether Mr. Richmond Edwards or Mr. W^m Brock was present. I think Mr. Norfleet & Mr. W^m Cobb were there. Capt. Canard was also present. I do not know whether this ^{was} the time Mr. Norfleet settled with Beale & Cobbs for the Staves he bought of them. I did not see him. And further this deponent saith not.

The Dependent Willy Canard being sworn deposes and says:
I was present at Franklin at a settlement between Mr. Beale & the Messrs Cobbs made by Mr. Norfleet for them the last of 1857 or the first of 1858. and I heard Mr. Beale say that the Cobbs told him there were ^{then end of 1856} fifty or fifty five thousand Staves left in hand ~~after the settlement~~ when Mr. Jethro Cobb said he had not told him so and that he must take that back. I think I heard Mr. Albert Cobb also deny telling him so. I heard Mr. Beale say that Mr. Albert Cobb had retained twenty five dollars of the money in his hands & Mr. J. Cobb said it was money of his own. There was no settlement made at that time between Mr. Beale & the Messrs Cobbs. Mr. Nelson B. Gardner was present at this conversation. And further this deponent saith not.

The Dependent William E Perkins being first duly sworn deposes and says. I worked with Mr. Albert Cobb in the year 1856 and I know that Mr. Albert Cobb got three thousand staves with his own labour. There were about six thousand staves left at the end of the year 1856 belonging to the firm of Beale & Cobb. There were about six thousand staves gotten off the land of Spier in the year 1857. I worked with the Cobbs also in the year 1857. I did not work with the Cobbs in 1858. I did not count the staves gotten off the land of Spier in the year 1857, but was down at the Camp very often and heard them counted I do not know that they did not ship off staves by the Camp when I was not there. I worked in the Spier land and else where too. I was not in the stave business at all in 1856. Spier is about four or five miles from the road. This timber was bought by the lot. Peter Cobb's timber was about six or seven miles from the road. Timber for staves is worth about \$5.00 a thousand.

Mr. Albert Cobb was present but said nothing.
