To the worshipful County Court of Southampton
County, In Chancery sitting -

Shuntz complaining sheweth unto your worship, your
complainant William J. H. Hollings, an infant under the
age of twenty one, who comes by his next friend Joseph
Pettlow, that sometime in the year 1852 his father P. H.
Hollings, died after having first made and published his
last will and testament, which was duly admitted to
Probate at March Term of County Court 1853, by his said will
after giving a specific legacy to his son John Hollings of
\$1000. he divides the remainder of property to be equally di-
vided between your orator and his five sisters, to wit,
Annabella, Louisa V, Margaret D, Sarah W. and Julia E Hol-
lings, all of which will more fully appear by a copy of the
will herewith filed marked "A" and prayed to be taken as
a part of this bill. That he left to them a dividend to them of
trout of land known as the Bonds Trust containing about
\$400⁰⁰ more or less lying in Southampton County, and that
no dower has been assigned the widow out of this real
estate. your complainant desires that this shall
be done, and that the balance of his real estate shall be
sold, and that the proceeds of sale be equally divided between
your orator and his five sisters above named. That the
said land is worth much less than \$300. a share, and your
orator is advised that would be detrimental to the interests of the
parties that such should be done, and that it would be
impossible to divide without injury to the parties. your
orator will further state that this land will have to be sold
subject to a lien of a debt of trust expended by P. H. Hollings
to J. H. Wells Trustee to secure Samuel Wells and Patrick
Dole, that there is now but a small balance coming to the
beneficiaries under the deed, your orator wishes, this
lien first to be satisfied and then the balance of pro-
ceeds of said land to be distributed as heretofore men-
tioned -

In tender consideration whereof, and inasmuch as your
orator is without remedy save in a court of equity when
matters of this kind are peculiarly cognizable, it is
prayed that Mary & M. Rollings, widow of P. H. Rollings
deceased, Amelia, Louisa V. Margaret D. Sarah & and Julia
& Rollings be made parties defendant to this bill and
answer the allegations thereof, that a guardian ad litem
be assigned the infant defendants, that your worship
will appoint Commissioners to allot to Mary & M. Rollings
widow of P. H. Rollings due one third part of the land
of which her late husband died seized and possessed, during
her life, and direct the sale of the balance, and after
satisfying the lien of the deed of trust, to divide the
proceeds of sale among those entitled, and grant
such other and general relief, as equity may dictate,
and the nature of their case may require -

defendant saying & says that she believes the facts stated
in the bill to be true and has no objection to the
deed prayed for

This day this cause came on to be heard
by consent of parties, on the bill, answer, thereto and general
explanations, and was argued by counsel - on consideration
whereof the court doth adjudge order and decree that
John Cobb, William Bell, James A. Gillette, James T.
Burt, and Joseph Petlow (any three of whom may
act) who are appointed Commissioners for that purpose
allot to Mary & M. Rollings, during her natural life
(having regard to quantity and value) one third part of the
real estate of which her late husband died seized and
possessed, and make report to this court - The court doth
further adjudge order and decree that W. H. Petlow,
who is appointed a Commissioner for that purpose, after
having given at least twenty days notice of the time and
place of sale, sell to the highest bidder, on a credit of
six months, except as much as may be necessary to defray
the expenses of this decree and sale, the balance of and
what may be necessary to satisfy the lien of the trust deed
mentioned in the bill, the balance of the real estate
of which P. H. Rollings died seized and possessed, which shall
not be allotted to his widow as dower - and that for
balance of proceeds of sale he take six equal bonds
from the purchaser with good security, payable six months
after date with interest from date and return the same
bonds to court with a report of his proceedings under this
decree, and that he retain the title of the said land until
the purchase money is paid, and make report of his proceedings
to this court - but the said W. H. Petlow shall not ex-
ecute this decree until he shall have given bond in
the clerk's office of this court in the penalty of \$1000
payable to the Commonwealth of Va. and conditioned
for the faithful performance of his trust under
this decree -

Exceptions

Nollings

The infant defendants Louisa C. Margaret D. Sarah A. and Julia E. Nollings by L. M. Edwards their guardian ad litem beg leave to file the following exceptions to the report of Commissioner Putton date Nov^r 24th 1865, and made in the chancery suit of Nollings v Nollings depending in the County Court of Southampton, viz.

1st That the decree under which the said Commissioner acted was not valid, because it did not require him to give bond with security for the performance of his trust under the said decree as required by law.

2nd That the said bonds having been given for the purchase of land sold for a partition amongst the parties, the Court had no authority under the law to direct the proceeds arising from the sale of said land to be invested in

3^d That the said Commissioner did not really collect the said bonds, as they are still on file in the papers of this suit, but merely gave a receipt for a certain amount in Confederate currency which was not a legal tender, and that the said bonds are still under the control of this Court.

4th That the purchaser has not paid what he agreed to pay. That the land for the purchase of which the said bonds were given, was sold sometime in 186, for a currency equal to theirs, and payment was made to the said Commissioner

in Confederate money which was at that time nearly worthless. That the said Court received of the purchaser good bonds for the proportion due John Hollings who was of age, and paid them over to Saml. Neale to whom John Hollings had transferred his interest, and who refused payment of his said proportion in Confederate money.

5th. That no deed having been made to the purchaser, it is still within the discretion and power of the said Court to refuse to confirm the said sale, until proper payment is made to the parties. That having no one to attend to their interests, they submit them to the care and protection of this honorable Court.
