To the worshipful County Court of the County of Southampton— In Chancery sitting

Humbly complaining sheweth Your petitioner Samuel Drewry surviving Executor of Humphry Drewry deceased that in the year 1844 the testator of your petitioner died being previously executed his last will and testament which was regularly admitted to probat and recorded in the County Court of the County aforesaid— a certified copy of which said will is herewith filed as part of this petition— Your petitioner begs leave to direct the attention of the Court particularly to the 11th and 13th items of said will, in which after making certain specific legacies therein particularly mentioned, the testator directs the balance of his estate (except slaves) to be sold, and one fourth of one tenth part to be paid to his grand daughter Francis H Drewry" provided she lives to arrive at lawful age and marries and lives and issue"; and also directs this portion to remain in the hands of his executors, and should his said grand daughter never arrive to lawful age and marry and live and issue to live to enjoy the property, said portion is to be returned to his other legatees Your petitioner further states that the executors availed themselves of a discretionary power given in the will and sold one tenth part of the slaves in which portion the said Francis H Drewry was interested, being found it impracticable to divide them, and out of the proceeds of sale are directed to retain one fourth of one tenth of the amt for the benefit of the said Francis H Drewry, under the same limitations as before stated That in the year 1848 the account current of the executors and legatees accounts were regularly stated by a commissioner of this Court, returned and confirmed as the law directs (a copy of which is herewith filed as part of this petition) from which it will appear that the amt due the said Francis H Drewry on the 18th Nov: 1845

was $767.68, which said amt was directed to be retained in the hands of the executors subject to the provisions and limitations herein stated, and also with the discretionary power on the part of said executors, of paying out for the benefit of the said Francis H Bruny, who was at that time a minor, any portion or all the interest on said amt, from time to time as it accrued — Your petitioner further states that many years since, the said Francis H Bruny then a minor, was removed from the State by her mother, and sometime afterwards intermarried with one J. J. Touche both of whom are now residents of this State; and your petitioner is informed that the said Francis now has children whose names and number are unknown, and who, after the death of their mother, may be entitled to the amt in his hands as above stated — That on the 17th of December 1848, the said Executors, in execution of the power conferred upon them by the will aforesaid, paid to John M Gerby guardian of the said Francis the sum of $138.18 the interest due upon the principle in their hands up to that day, and have regularly since paid the taxes due on said amount, having in their hands, principle and interest on the 18th Oct 1861, the sum of $1328.65; all of which will appear from a statement herewith filed and prayed to be taken as part of this petition.

That your petitioner has offered to pay the amt to the said Touche since his intermarriage with the said Francis upon his executing bond with security conditioned to refund according to law; and has used every means in his power to get the amt out of his hands in a proper and legal manner, but without success — Your petitioner in consideration of the facts herein stated, now tenders the said amt to the Court, and prays that such a disposition of the funds may be made as may be lawful and proper and secure him against all responsibility on account of the same — that your petitioner is ready to pay the amt into Court, or to invest it in such manner as the Court may order — Your petitioner also prays that the said J. J. Touche and his wife Francis H, and the children of the said Francis H, who are minors and whose names and number are unknown, by some fit and proper person to defend them be made defendants to this petition — that the usual order of publication against absent defendants may be made against the said Touche and wife; and that the Court will grant such other and general as may be right and proper, and he will as in duty bound ever pray &c
