1859 September Rules

To The Hon. Richard H. Baker Judge of The Circuit Court of Southampton County. In Chancery sitting. Humbly complaining. sheweth unto your honor your Orator Arrington Gardner Administrator of ~~Eli~~ ^{Eli} ~~Handley~~ ^{former} died and all other creditors of the estate of Levi Handley died, who shall come in and contribute to the expenses of this suit. That sometime in the year 1856 Eli former departed this life, leaving a will which was offered for probate in this Court at term 1856, but was contested, during the pendency of the suit contesting the will, the Curatorship of his estate was committed to Levi Handley, who sometime in 1857 died without ever having settled ^{an account} his transactions as Curator of Eli former died, after his death, James Handley qualified as Administrator of his estate at term of County Court 1857. after the qualification of James Handley on the estate of Levi Handley died, an account of Levi Handley's transactions as Curator of Eli former's estate was taken before Henry S. Howard one of the Commissioners in Chancery of the County Court, which ~~account~~ was settled by him up to December 31st 1857 and finds a balance of \$1500.64 due the estate of Eli former died with interest on \$1474.14 from that date, all of which will more fully appear by a copy of said account herewith filed marked "A" and proposed to be taken as part of this bill - after the death of Levi Handley, the Curatorship of Eli former's estate was committed to the hands of Arrington Gardner at term of County Court 1857, and at the May term of the Circuit Court 1858, the suit contesting the will of Eli former died was decided, establishing the will of the said Eli former, that then Arrington Gardner qualified as Administrator with the will annexed of his estate, and that at the time of his qualification as Admin^r of Eli former's died the estate of Levi Handley died was justly indebted to him as Admin^r of Eli former's died, in the sum of \$1500.64. with interest on \$1474.14 from Dec 31st 1857

Your orator would however state, that several payments were made by James Handley Adm^r of Levi Handley decd, to Springton Gardner while he was acting executor of said James estate, and that on account will be necessary in order to find the balance now due

That the said Levi Handley was in his lifetime and at the time of his death, possessed of a considerable personal estate, but insufficient to pay and satisfy all his just debts, and was also entitled and seized of a considerable real estate, particularly of a tract of land lying in this County containing about 200 acres and worth about \$700 - That the said Handley being as seized and possessed departed this life in the year 1857 intestate, leaving a widow Maryann Handley and three ~~orphan~~ children viz. Richard Thomas, Martha J. and Leonidas Handley, who are entitled to such of his estate as may remain after the payment of all his just debts and demands - and due administration of his estate was granted by the County Court of Southampton County at term 1857 to James Handley, who has become possessed of the personal estate of his intestate, by virtue of his said administration, that the said James Handley adm^r aforesaid has settled up the estate as far as he has assets in his hands and has rendered an account before a Commissioner of this Court - That there still remains a large balance due to the said creditors, and your complainant desires that the real estate of which the said Levi Handley died seized and possessed, shall be sold, and the proceeds of sale applied to their payment, That he was seized of a tract of land lying in this County containing about 200 acres and worth about \$700 - In tender consideration of the premises, and in as much as your orator is without remedy save in this honorable Court, where matters of this kind are peculiarly cognizable and relievable, To the end therefore, that justice may be done, your orator prays that James Handley adm^r of Levi Handley decd, Maryann Handley, widow of

Levi Handley decd, (Richard Thomas, Martha J. and Leonidas Handley infants) be made parties defendants to this bill - That a guardian ad litem be appointed for the infant defendants, who together with the other defendants shall make true and correct answers to this bill - That your honor will decree a sale of the real estate of which Levi Handley died seized and possessed, and the payment of his debts out of proceeds of sale, and the balance if any to the parties entitled - That your honor will direct all the proper accounts, and that such further and general relief may be given as Equity may dictate, and the nature of this case may require, and as in duty bound your orator will ever pray &c.
