The answer of George W. Vick late sheriff
of Southampton and as such administrator
with the will annexed of James Majitt Decd
to a bill in chancery in the circuit court of
Southampton by Dandelin Ex^{rs} as heirs & als

This defendant for answer to the said
bill or as much thereof as he is advised it
is material for him to answer, answering says
that the estate of James Majitt was committed
to his hands as sheriff the executor therein
named having refused to qualify, and that
he proceeded to administer on and settle the
same, that he settles his account before a
commissioner of the county court of Southampton
which has been returned, confirmed and recorded
and a copy of which is herewith filed marked
A. showing a balance due the estate on the
31st of December 1863 of \$9839.29 cts, the
country was then in the midst of the late
furious war which has devastated the
country and he supposes that the danger
of having anything to do with other
people's money and the fact that there
were continuing trusts connected with
the estate for an indefinite period
prevent both the executor and any of the
other legatees interested from taking charge
of it, and this defendant received and
paid out all the monies of the estate
in Confederate States currency which was
then the currency of the established govern-
ment, up to the time he settles this account

all the creditors of the estate readily receive the Confederate States currency except the Plaintiff in this bill who steadily refused to receive the payment of the two bonds he has filed with it although repeatedly urged by this defendant to receive this currency having then paid all the debts of which he knew except those above named, he then proceeds to allot to the widow her legacies as provided by the will, he then pays over to Mrs. S. Majett, R. S. Majett, H. P. Pope in right of his wife Sally Anne, James E. Majett, and Robert H. Hart in right of his wife Cornelia the sum of \$1403.61 cts each as will appear by their several receipts herewith filed marked B. C. D. & E. it being one seventh to each of the balance due on the above said account, He also delivers to the five just above named legacies the slaves bequeathed to them by his testator, will as will appear by their several receipts herewith filed marked G. H. I. K. & L. and prayed to be taken as a part of this answer.

By the provisions of the will the legacies of Walter Majett, Maria A. Parker had to remain in the hands of this defendant as representative of his testator, and he had in hand upwards of \$2800 in this C. S. currency, unable to make any safe investment of it, he applies to the county court of Southampton for directions as to its disposition and under its order he invests \$2000 in Confederate States

7 per cent bonds all of which will soon fully appear by the said order herewith filed marked M. and the bond herewith filed marked N, since the last settlement of Dec- 1863 he has paid out \$1300 and received \$1200 in C. S. currency leaving in his hands now \$500 C. S. currency now worthless, This defendant states further he has some claims belonging to his testator about \$300 which he was unable to collect in Confederate times in Confederate currency and he now considers them worthless, and having fully answered prayers to be dismissed with his costs &c.
