1873 September Rules

To the Honorable George Blow judge of
the circuit court of Southampton County
in chancery

Humbly complaining your Orator
Leonard C Cobb surviving obligor of
himself and D. W. Cobb decd sheweth unto
your Honor that at the March term
1873 of the county court of Southampton
he obtained a judgment against
Stephen Henderson and Martha J
Henderson his wife for the sum of
\$200 which has been docketed and on
which execution has been issued and
returned no effects all of which will
more fully appear by certified copies of
the judgment, execution sheriff's return
thereon and certificate of its being docketed
which are herewith filed marked A
and prayed to be taken as parts of this
bill, your Orator states this judgment
is a lien on all the lands which
the said Henderson & wife own in
Southampton

~~He~~ states and sheweth further that
on the 1st of Feb'y 1870 your orator
and D. W. Cobb by deed duly executed
and recorded and copy of which is
herewith filed marked B and prayed
to be taken as a part of this bill
conveyed to Stephen Henderson and
Martha J his wife ^{this interest in} a tract of land
lying in Southampton containing

two hundred and sixty acres and that
they gave them \$300 and executed
their bonds for \$200 the residue of
the purchase money and that your
Orator and D. W. Cobb retained specifically
by the said deed a lien for the
payment of these bonds and it is
the lien of these bonds that your
orator is now trying and seeking to
enforce on this tract of land and
any other lands which the defendants
may have. The said land was
conveyed to Martha I. Henderson for
life, if Stephen Henderson survived
her to him for life, if she was the
longest live, then to her in fee simple.
As far as your Orator can ascertain
besides the two sixths which the
defendants purchased as above stated
Martha I. Henderson owns one sixth
and had purchased all the other shares
except one sixth it being the land
owned and held by Leonard Cobb her
her father. And your orator now seeks
to enforce his lien both under the
deed aforesaid and the above said
judgment.

For tender consideration whereof
and inasmuch as your ^{orator} is without relief
at law and only entitled to relief in
a court of equity he therefore prays that
Stephen Henderson and his wife
Martha I. Henderson may be made

parties defendant to this bill and that
the court would compel them as free
and perfect owners make to the
allegations therein contained as if they
had been thereto more fully and
specifically interrogated that the court
would direct a commission to
enquire and report as to the actual
and annual value of all the
lands owned by the said Henderson
is wife in Southampton and all
the judgments which have been
obtained and docketed and then
proceeds and if it should appear
that the rents and profits ^{of these lands} will not
pay the same in five years that
the court would direct the sale
thereof for that purpose and that
the court would grant such other
and general relief the premises considered
as equity may dictate and the
nature of his case may require
and as in duty bound your orator
will ever pray etc.

The first part of the report was a review of the work done during the year. It was found that the work had been carried out in accordance with the programme of work approved by the Council at its meeting in June 1967. The main areas of activity were the study of the effects of radiation on the environment, the development of methods for the assessment of the risks to man from radon exposure, and the investigation of the health effects of low level radiation.
