To the Hon Jos: W. Eppes Judge of the Co.
Ct: of Southampton - In Chancery -
Your petitioner, F. Dunn respectfully represents to your Honor, as follows - That at the Nov: Term 1870 of the Circuit Court of this County, he obtained a judgment against the Admrs. of Eliz: Little for $75. with interest thereon from Jany 1. 1864 - as will appear from a copy of said judgment filed in this petition as a part thereof. That a suit in Chancery has been brought in this Court to subject the Real Estate devised by the said Little to her daughter Mrs Critchlow and others to the payment of debts contracted by these parties, and an order entered directing the said Real Estate to be rented out from year to year. Your petitioner says that there is no Estate of the said Little that he can reach, except this Real Estate, which is now in the hands of the devisees - He says therefore that he may come in as a party to this suit, and that an order may be entered, so modifying the order directing the real estate to be rented out to pay the debt of Schell & Holmes, as to allow & order the proceeds of the rents to be first applied to the satisfaction of your petitioners claim.

1st case will have to be sent back to enter parties now having made proper ones on them see Goolsby vs St John 25 Grat 146
" Dillard vs Thornton 29 Grat 392

2nd This is not a creditors bill then can be no suit in chancery to charge this land unless a debt is proved at common against Tillis decease

3rd When has been a decree to sell out this land to pay F. Dunn first who has not even reported or proved a debt before the commissioner

4th There are debts contracted by one of the parties who had no right to charge either the land or his children. the administrator having charge of the land and he having no right to apply anything but the annual profits to their support and even of this land applied specially to educational purposes
