v. 3 Bill & Ex.

W. E. Darrell & F. W. Lawrence

1906. Feby 17th filed

McLemore & Corbitt, Sol.

TO THE HONORABLE ROBERT R. PRENTIS, JUDGE OF THE CIRCUIT COURT OF SOUTHAMPTON COUNTY.

Complaining sheweth unto the Court your complainant, W. W. White, of Boykins, Virginia, that M. E. Worrell is justly endebted to him in the sum of Two Hundred Dollars ($200.00), with interest thereon at the rate of six per centum from October 5th, 1905, until payment, to which should be added $1.14, protest fee, and the sum of $20.00, the usual cost of collecting the same, in accordance with the terms of the note evidencing said debt, that no part of said debt has been paid, and that the same is now due and payable by the said defendant to your orator, and that same is believed to be just, that F. W. Lawrence is also an endorser on the said note, and is jointly responsible with the said M. E. Worrell to your orator for the several amounts above herein set forth, all of which will more fully appear by reference to the aforesaid negotiable note of the said M. E. Worrell, filed herewith as exhibit "A", prayed to be read as a part of this bill.

Your orator sheweth unto the Court, that the said defendants, M. E. Worrell and F. W. Lawrence, are both non-residents of the State of Virginia, and have estate, or debts owing to them within the County of Southampton; that along with other property, the said defendant, F. W. Lawrence, has title to all of the cypress timber standing on the Benjamin F. Taylor tract of land, situated in the County of Southampton about one mile easterly from lands of Captain W. K. Stephenson, and is a part of the Myrick quarter lately purchased by Benjamin F.. Taylor and known as the Bailey place, a portion of which standing timber has been cut and the logs are now on the land. Your orator further states that the said F. W. Lawrence holds title to said standing timber by authority of a deed or contract of sale executed by R. A. Gray, in which your orator joins, but which deed or contract has never been admitted

to record, and your orator is unable to produce to the Court a copy of the same.

Your orator further states, that F. W. Lawrence has agreed with M. E. Worrell to sell to the said Worrell the aforesaid standing timber, and that the said Worrell took possession of the property and also has under his control, or in his possession, the original deed or contract of sale made by the said R. A. Gray and your orator to F. W. Lawrence and refuses to deliver same either to F. W. Lawrence or to your orator. Your orator further states that the said F. W. Lawrence had agreed to assign to the said M. E. Worrell all of his interest in the said standing timber upon the payment by the said Worrell of the aforesaid note of $200.00, with interest, costs and charges as aforesaid, which the said M. E. Worrell has refused to do, and your orator's debt has been neglected by both of said defendants; ~~that~~ your complainant further states that while the said M. E. Worrell has not a legal title to said standing timber, that he has the equitable title thereto upon the payment of the claim of your orator, and both the legal and equitable title to said standing timber are vested in the defendants, both of whom are liable to your orator for the amount of the said note, with interest, costs and charges, and both of said defendants are non-residents of the State of Virginia.

Your complainant is advised therefore, that he has the right to have an attachment sued out and levied on said property, and on any other estate or debts owing to the said defendants in the said County, or elsewhere in the State of Virginia, that same may be forthcoming to await the disposition thereof by this Court and application of the proceeds to the debt due to your orator.

In tender consideration whereof, and forasmuch as your orator is remediless in the premises, save by the aid of a Court of Equity, where matters of this kind are alone and

properly cognizable to the end, it prays that the said M. E. Worrell and F. W. Lawrence made be made parties defendants to this Bill and required to answer the same, but answers under oath are hereby expressly waived; that an attachment may be issued and levied upon the said timber, and upon any other estate or debts due to the defendant, sufficient to satisfy your orator's claim together with the cost and expenses of these proceedings. That same may be sold, and sufficient of the proceeds paid to your orator to satisfy his debt, that such inquiries may be made, accounts taken and orders and decrees entered, and that all such further general and special relief may be granted to your orator as the nature of his case may require, or to equity shall seem meet.

Notice is hereby given that the Court will be asked to allow reasonable fees to plaintiffs counsel conducting this cause, and your orator will ever pray, etc.

Dear Pa:

I am herewith enclosing decree just entered in the case of Barrett against Bradshaw et als. Please enter this on the record as of the 21st, and as soon as same is signed up by the Court, send the decree back to me with some others that I wrote for on yesterday, that I may file it in the papers which I have here. You might bundle them all up and put them in an envelope and give them to Judge Prentis, and I will call for them at his office.

In the W. W. White - Lawrence case, which I left for an order of publication to be entered in, I wish to make an amendment to my endorsation on the back of the attachment, so as to include not only the standing cypress timber, but any logs or trees which may be felled and located upon said land. I think it would probably be well to issue a new attachment, which as you know under the statute can be done under the original affidavit, and make for me the endorsation, so as to include the felled timber and logs, let the officer re-serve it mailing it to Felts for that purpose. Make the return day as quickly as possible so that the order of publication may be issued. You will observe the order of publication cannot be issued until the attachment is returned.

With reference to the will of Mr. Whitehead, Judge Prentis advises me that the Deputy Clerk can admit the will to probate, and this being the case I will probably not come up Monday, but the first convenient day will run up there and have the will probated. I would suggest that you give notice to one or two of the heirs of the fact that you have the will and show it to them if they want to see it, requesting them to notify the other heirs.
