To the Hon L.W. Dell - Judge of the Circuit Court of Southampton County. In Chancery.

Complaining showeth unto your Honor your complainants Penny Revell and Susan Turner as follows. That during the year 1890 Davis Vick departed this life, leaving a will and J.L. Barham has qualified as his Admr. c.t.a. as will appear from a copy of the qualification hereto filed marked "A" as an exhibit in this suit. That under one clause of his will the said Davis Vick gave to your complainants his land during their lives and at their death to the children of Susan Turner, as will more fully appear from a certified copy of said will herewith filed marked "B" as an exhibit in this cause. That Susan Turner has the following children viz. Mary, over 14 years of age. George over 14 years of age and Richard under 14 years of age. That Susan Turner will be their sole heir and distributee if they were dead. That there will be some money in the hands of the Admr after paying the debts of Davis Vick, which will belong to your complainants and to the children of Susan Turner. That upon their land there is no house fit for people to live in. and your complainants who are poor women have no means of building a house on their land unless they can be

authorys to expend a portion of the proceeds in the hands of the Admr of Davis dec'd for that purpose. Your complainants charge that it seems very much prejudice the interests of the infants to allow this expenditure because it seems be a permanent improvement put upon the land in which they have an interest and owned give them a comfortable house in which to live. Your complainants further state that the rights of no person will be violated by the expenditure as asked for.

To the end therefore that justice may be done and inasmuch as your complainants are without remedy in the premises except in a Court of Equity where such matters are properly cognizable, your complainants pray that J.L. Barham, Mary, Geo & Richard Turner may be made parties defendant to this bill and compelled to answer the same under oath. That a proper guardian ad litem may be appointed to defend the infant defendants, and the said guardian ad litem may be required to answer this bill on oath. That the Court will allow the expenditure of a sufficient sum of money to build a good and comfortable house on said land. That all proper orders and decree

may be made and due proof of accounts and enquiries directed, and for such other further, general & special relief as the nature of this case may require or to Equity may seem meet. And as in duty bound &c. May it please the Court &c.

These respondents, saving and reserving to themselves all manner of benefit and advantage of exception to the many errors and insufficiencies in the said bill contained for answer thereto say - That they are old enough to know something of their rights and interests - and they think it would be greatly to their interest to recover enough of the money in the hands of the Commrs of Davis Rich to build a comfortable dwelling on the land in which they have an interest to be so expended. In obedience to a decree of the Circuit Court of said County entered at the Nov: Term 1893. and pursuant to Notice herewith filed, the undersigned Commissioner reports to Court, that on the 14th day of April 1894, he proceeded to take and state a further account of the transactions of J.L. Barham, Admr with the will annexed, of Davis Nicholls dec'd.- and finds a balance due the Estate of said decedent, by said Administrator of $ inclusive of interest to May 1. 1894. with interest on $ the principal thereof from that day till paid.

The Commissioner reports specially, that at the sale of the decedent, Penny Revel and Susan Turner, devisees under the will- purchased personal property to the amount of $142.00, including interest- and executed their joint bond for the same. That the Administrator was charged with the said bonds, in his former report- that he has not collected it, because

the said Revell and Turner are entitled to all the surplus of the Estate, after payment of the debts. the Commissioner has, therefore, credited the Administrator with the amount of said bond. in order that he may pay the same over to said Devisees as part of their legacy under the said will.

Respectfully Submitted
