White & Ex-Wife

White's Attorney

J. C. FARESE,

ATTORNEY-AT-LAW,

Main St., Franklin, Va.

To the Hon.C.W.Hill,Judge of the Circuit Court of the County of Southampton.

Your complainant,Rosa D.White, complaining sheweth unto your Honor that on the 3rd day of December 1893 her husband,E.F.White,departed this life ,intestate.That at the time of his death he was the joint and equal owner with George T. White,who was his partner in business,of a considerable amount of property in the County of Southampton, and left surviving him your complainant,his widow,and his brother the said Geo.T.White,and a number of collateral relatives on both his father's and his mothers side,but leaving no children, nor brothers or sisters, nor father nor mother, nor descendants of either.That no letters of administration were granted to anyone on the estate of the said deceased,but the whole property remained in the custody of, and under the control of,the said Geo.T.White,the surviving partner; that on the 19th day of August 1894,the said Geo.T.White departed this life,intestate and leaving no children,nor father nor mother,nor brothers nor sisters, nor descendants of either, and leaving all of said property which he and his brother E.F. White had held jointly as stated above.That on the day of 1894,Oswin White qualified as administrator of Geo. White and J.C.Parker qualified as administrator of E.F.White's. a copy of the record of County Court herewith filed as Ex. "B" That all of the money found as belonging to the said deceased E.F.& G.T.White,amount to nearly Two thousand and fifty dollars, has been taken possession of by the said administrators and is now in their hands,as well as the proceeds of certain other personal property which the said administrators have properly and legally sold.In addition to what is in the hands of said administrators there is other property which belonged to the said deceased brothers,having been owned and held by them as part-

ners in their life time,to-wit, one farm,one house and lot in Franklin,on which they resided at the time of their death,one stable and lot in Franklin,and one small house and lot,formerly used by the deceased as an office,but now occupied as a tenant dwelling.Your complainant further shows that she is entitled to a share of the estate of the said E.F.White as his widow,and that the other heirs of the said E.F.White and of the said Geo.T.White are the same so far as she is enabled to find out,and they consist of kindred on both the father's and mother's side of the family.On the father's side there are B.F.Lamb,Oswin White, Mattie P.Bristow,Thos.P.White,Mary I.White,Jos.J.G.White,and Ellen M.White,which are all the heirs on that side so far as your complainant has been able to ascertain;on the mother's side there is Assenith Swain,a resident of North Carolina,and a number of other persons of whom your complainant has heard in a vague and indefinite sort of way ,but does not know who or how many of them there is. Your complainant is advised and believes that she is entitled,as widow of E.F.White and one of the distributees of his estate,to one half of what is left in the hands of his administrator after the payment of his half of the liabilities of the said partnership between the said E.F.White and Geo.T.White,and the payment of the whole of the individual debts of the said E.F.White,your complainant never having had any children and the said E.F.White leaving no issue by any marriage. Your complainant further charges and believes that the above described farm,houses and lots having been held by the said deceased partners as partnership property,that the said property is not realty,but on the other hand is personalty and must be divided between your Complainant and the other heirs of the said de-

ceased partners as the other personalty is divided and in accordance with the laws distributing personal property.But if your Complainant is mistaken in this opinion,then she is certainly entitled to dower in the half of said property belonging to her husband E.F.White.

Your complainant further showeth unto the court that the said Geo.T.White was indebted at the time of his death to your complainant in the sum of $3145.00 for services rendered to him,the said Geo.T.White,between the death of the husband of your complainant,the said E.F.White and the death of said Geo.T. White.Your complainant showeth unto the court that the said Geo. T.White was during all this period a paralytic,requiring her constant attention,almost as helpless as an infant and a great deal more trouble and care.Your complainant was before her marriage with E.F.White,a nurse in the Retreat for the Sick in Norfolk,Va. ,and there, and in other cities,she had acquired considerable skill as a trained nurse,and she gave to the said Geo.T.White during this period all the care and attention that he needed and that the best of trained nurses could have given him.It is for this service that the above described account is due her by Geo. T.White,or his estate.A copy of said account is herewith filed marked''Exhibit A'',and prayed to be read as a part of this bill.

Your complainant further showeth unto your Honor that both E.F.White and Geo.T.White were sick for a long time before their deaths and that both of them repeatedly made statements to the effect that they wanted to make,or to have made, certain improvements to the lot in the Poplar Spring Cemetery,at Franklin, Va.,in which they then had a sister buried and in which they themselves have both been since that time buried.Your complainant

says that repeatedly before his death the said Geo;T.White expres-ed the intention to have a monument erected on said lot,on the four sides of which should be engraved the names of himself,his sister,his brother E.F.White,and that of your complainant when she should have been buried by their sides ; that he also desir-ed to put a simple headstone at the head of each one of these, and to enclose the lot in a suitable iron railing.Your complain-ant thinks that inasmuch as the said deceased brothers left plenty of property to pay for these things that they contemplated putting upon this cemetery lot,and that too without serious pre-judice to the heirs of the said estates,that the desire of the deceased should be carried out to the letter as above indicated.

For-as-much therefore as your complainant is remediless in the premises save in a court of equity,where such matters are cognizable,your complainant prays that the said Oswin White,Administrator of Geo.T.White deceased, J.C.Parker,Administrator of E.F.White,deceased,Oswin White individually,Mattie P.Bristow, Thos.P.White,Mary I.White.Jos.J.G.White,Ellen M.White,B.F.Lamb ,Assenith Swain and any others of the heirs of the said Geo.T. White or the said E.F.White,unknown to your complainant,be made parties defendant to this suit and required to answer the same, though an answer under oath is waived expressly ; that an order of publication be made against the said B.F.Lamb,Assenith Swain, Jos.J.G.White,Ellen M.White,and Mary I.White,who are non-residents of this state,and also against any others of the said heirs who are unknown to your complainant ; that if said landed property above described be personalty that the whole of same be sold and one half of the portion of the proceeds belonging to the estate of the sadd E.F.White be paid to your complainant ; but if said

property be realty, that the dower of your complainant in same be assigned to her in kind if practicable, and if not then that the whole be sold and she be endowed out of the proceeds; that an account of all the debts due by the partnership of the deceased brothers be taken and paid jointly by the said J.C.Parker and Oswin White out of the respective estates in their hands for administration ; that an account of the debts due by Geo.T. White individually be taken, including the account due your complainant as shown above, and that said debts be paid by the said Oswin White, Administrator, out of the estate of the said Geo. T.White ; that an account of the debts due by E.F.White be taken and paid by J.C.Parker his administrator out of the estate of said E.F.White, and that onehalf of the balance remaining in his hands be paid to your complainant; that a reasonable amount be ordered by the court to be expended on the cemetery lot as indicated by the wishes of the deceased as above stated, and that one half of said amount be paid by each of the said administrators; That proper counsel's fees be allowed the attorneys for your complainant in this cause ; that all proper account be taken and decrees be entered ; and that all such other and further relief be granted as the nature of this case may require or to equity may seem meet. And your complainant will ever pray, etc.

The answer of Oswin White, in his own right and as admr. of Geo. T. White dec'd, to a bill in Equity filed in the Circuit Court of Southampton County against himself and others by Rosa D. White.

This respondent, saving and reserving all just grounds of exception to said bill, for answer thereto says. That the allegations as to the time of the deaths of Geo. T. and E. F. White, their distributees and who qualified upon their Estates are correct. That it is also true as alleged as to the property left by them. and it is held by the two administrators or charges.

But your respondent claims that the real Estate held by the said E. F. & Geo T. White should be treated in a Court of Equity as real Estate, and the rights of their riders determined upon that basis. Unquestionably the said real Estate can be divided in kind between said Estates, and there can be no sound reason in respondents judgment why this property should be ~~held~~ otherwise than as real Estate.

Respondent says that as to the charge set up by Complainant for $533.- for services rendered Geo T. White as a skilled nurse from Decbr 3. 1893 to Aug 19. 1894, he thinks it entirely out of the question that this should be allowed. The Complainant is the widow of the brother of Geo T. White. They are living in the same house and she shared equally with Geo T. White a bountiful supply of every thing that could make a household comfortable and plenteous. Geo T. White during the time charged in the account was able almost every day to ride about in his buggy. Hired a boy servant, who constantly attended and waited upon him. Hired a Cook who cooked for the family, and really there was very little for any nurse to do. So far as he was concerned. It seems seem to you respondent that the widow of his brother in such a case as this, who was present more as a member of the family, should not be entitled to this extraordinary charge, but that her services should be construed as one of love and duty, and not one of trade or barter.

at any rate respondent submits that if Hines be shown that the Conditions of Geo J. White was such as required the services of a trained nurse, and that he owned not have been successfully managed by ordinary attention. Respondent charges that during the most of the time for which this charge of $555- is made, the Complainant carried on in person a dress making establishment in the same house in which she and Geo J. White lived- and this will show in a great degree what amount of attention she bestowed upon Geo J. White-. Respondent further says that the Physician from whom Geo J. White obtained a prescription that he owned during his sickness, says that the medicine owned easily be taken by the patient himself if he owned use one hand, and Geo J. White was able at all times to use one hand-.

As to the charge in the bill of Complainant about making certain Expenditures in erecting a tombstone &c, respondent says that so far as he is advised, no one of the heirs will raise any objection

to an Expenditure commensurate with the value of the Estate. but they do protest against any Extravagant waste of the money in that or any other direction. Respondent further says that he does Object to any allowance by the Court of any Counsel fees to the attorneys for the Complainant. except Such Sum as Such Sum as may be here- upon found that She will have ample Estate to pay her lawyers - and it will be unjust for the heirs to pay their own lawyers. Respondent makes no Objection to the taking of all necessary accounts. And having answered prays he may hence be dismissed &c. -

May it please the Court.

WITNESS, T. M. HOWARD, Clerk of our said Court, at the Courthouse, this 9th day of October, 1894, in the 119th year of the Commonwealth.

TESTE: T. M. Howard, C. C.

The answer of J.C.Parker,Administrator of E.F.White,deceased, one of the defendants to a bill of complaint filed against him and others in the Circuit Court of the County of Southampton, by Rosa D.White,complainant.

The respondent,reserving to himself the benefit of all just exceptions to said bill,for answer thereto,or to so much thereof as he is advised that it is material he should answer,answers and says that he [redacted] has nothing to do with the estate of Geo.T.White,or with any debt which the complainant in said bill alleges is due to her by said estate.Your respondent further says that as to the landed property left by Geo.T.White and E.F.White,which they held as partners,that if the said property is realty then your respondent has absolutely nothing to do with it,and if it be personalty your respondent is ready and willing to perform any decree concerning said property that the court may enter.Your respondent further says that as to the amount asked by the complainant to be expended on the Cemetery lot at Franklin he is frank to say that from what he has been able to ascertain from entirely disinterested parties it was the wish and intention of the said Geo.T.White to make such expenditures on said lot as it is alleged by the complainant in said bill that he intended to make.What amount he would have expended on said lot in erecting said monument,etc.,your respondent is totally unable to say,but your respondent is of the opinion that $400. will cover the amount that he would have expended there himself had he made the contemplated expenditures in his lifetime,and that said sum is sufficient to spend there at this time.Your respondent is willing to trust to the court however to make such order as seems proper and he is ready to obey that order whenever

made. Your respondent further says that he is ready at any time to render an account of his transactions as administrator of E.F. White deceased, and to distribute the amount in his hands due said estate in accordance with the instructions of the Court.

And this respondent denies all fraud, unlawful combination and confederacy ; and having fully answered the complainant's bill, prays to be hence dismissed with his reasonable costs by him in this behalf expended, and he will ever pray, etc.

Your Commissioner begs to state that the foregoing accounts, except the last two mentioned, were admitted to be true, correct and unpaid by counsel or administrators of the debtors.
An offset amounting to $9.00 evidenced by due bill against G. A. Fowler was presented against the account in favor of G. A. Fowler for $35.15, which set off was not allowed as it was proven to the satisfaction of your Commissioner by the testimony of Luther Jones that he was present when said G. A. Fowler paid the amount of said due bill to White & Bro. or one of them.
Your Commissioner refused to allow such part of the account of H. G. Elliott against White & Bro. as in his judgment was barred by the statute of limitations.
Your Commissioner has not classified the debts specially as he is informed that the assets of the said firm of White & Bro. deceased, are amply sufficient for the payment of all the debts.

"An account of the debts due by E. F. White, on his Estate, with their priorities and dignity."

The Estate of E. F. White, deceased,

In account with his Creditors.—

No claims were filed against the Estate before your Commissioner. The claim by open account of Mrs Rosa D. White against the Estate of White & Bro. dated August 19, 1894, for $25.00 paid by her for lot upon which to inter the remains of Ecum White taken from the cemetery lot of E. F. White and Geo. T. White, deceased, was presented to your Commissioner and he has, upon the testimony before him or facts admitted concluded that the said claim should not be paid out of the partnership assets of White & Bro, deceased but that one half of said account, to wit, the sum of twelve dollars and fifty cents, should be paid to the said Mrs Rosa D. White by J. C. Parker, administrator of E. F. White, deceased, and Oswin White administrator of Geo T. White deceased respectively with interest thereon from Sept 1, 1894, to Sept 1, 1895 to wit the sum of $13.25

Your Commissioner, is informed, according to his version of the testimony or statements made before him, that Ecum White was buried in the cemetery lot of E. F. & Geo T. White while they were living, and with their consent or by their direction. That E. F. White and Geo T. White wished to be buried near each other, which could not be done without removing the remains of Ecum White to some other place, which removal was made after the death of E. F. White and Geo. T. White for the purpose of interring the body of Geo T. White by the side of or near the grave of E. F. White. Hence the conclusion reached by your Commissioner.

"An account of the property real and personal left by said White & Bro., with its annual and fee simple value."

Your Commissioner is advised that there was no personal property left by said White & Bro. as a firm.

Your Commissioner is not familiar with the real estate left by said White & Bro, and being requested by counsel in this cause so to do he has taken as the basis of his valuation of the real estate of which E. H. White and Geo T. White, as White & Bro. died seized and possessed jointly, to-wit:- One farm in Southampton County, Virginia, about four miles from Franklin in said County, one lot with dwelling house thereon, one lot with two tenant houses thereon, and one lot with livery stable thereon, situated in the town of Franklin in said State of Virginia, the land book of said County for 1895 upon which the real estate owned by said E. H. & G. T. White, jointly, is described and valued as follows:-

One farm containing	80	Acres	valued at	$600.00
One lot	"	1/4 of an	Acre " "	275.00
" "	"	1/4 "	" " "	700.00
" "	"	1/8 "	" " "	400.00
				$1975.00

which sum of $1975.00 your Commissioner now reports as the fee simple value of the said real estate, according to the evidence

furnished him. The only evidence of the annual value of the said real estate before your Commissioner was that 6% of the fee simple value would be about correct which makes the annual value exceedingly small.

7th "

"An account of the property real and personal left by E. F. White, and its annual and fee simple value".

Your Commissioner reports that E. F. White did not leave any real estate in his individual right. That the administration account of J. C. Parker, administrator of the Estate of said E. F. White, deceased, hereinbefore stated shows that the sum of $927.32 is now in the hands of the said administrator due the said Estate. That there are now bills receivable and other personally estimated to be of the value of one hundred and fifty dollars, in his possession belonging to the said Estate.

8th "

"An account of the property real and personal left by Geo. P. White, and its annual and fee simple value".

Your Commissioner reports that he is informed

that Geo. P. White did not leave any real estate in his separate and undivided right. That the administration account of Oswin White, administrator of the Estate of the said Geo. P. White, deceased, hereinbefore stated, shows that the sum of $84.27 is now in the hands of the said administrator to the credit of the said Estate. That there are bills receivable and other personalty estimated to be of the value of one hundred and fifty dollars, now belonging to said estate in the possession of said administrator.

"Your Commissioner begs to report that he has inquired into the propriety and expediency and cost of erecting a monument over the graves of said deceased C. F. White and Geo. P. White in the cemetery where they are buried at Franklin, Virginia, and of making any other improvements on said lot, and states that the parties to this suit, by their counsel, have agreed to allow the sum of one hundred and twenty five dollars to be used for the purpose of erecting a monument or headstones over the said graves, and your Commissioner therefore recommends that the court will allow such amount of money to be expended for such purpose, and further recommends that a monument be erected over the said graves

"and said Commissioner shall further inquire and report who are the heirs at law of the said Geo. T. White and the said E. F. White, respectively, and the share to which each is entitled, and any other matter deemed pertinent by the Commissioner, or which he may be requested to state by any party in interest."

Your Commissioner reports that he has made much inquiry and search for the heirs at law of the said Geo. T. White and said E. F. White and as the result has reached the conclusion that there being no heirs of the said Geo. T. White and E. F. White, deceased, in a nearer degree the said estates must go, the one moiety to the paternal, the other to the maternal kindred as follows:-

one ninth of said moiety to heirs of Allen Eason, whom your commissioner has not been able to discover.

(3) Heir of Chas Eason, deceased

Your commissioner makes report further that he has been requested by a party in interest in this cause to make a statement of a certain claim in favor of M.H. Moore of Franklin, Va. for one hundred dollars with interest thereon from June 1, 1894 said to be due by Geo T. White and E. F. White, it being the deferred payment on the purchase price of a vacant lot in Franklin, based upon a statement of facts admitted to be true, as understood by your Commissioner, which are as follows:—

That M. H. Moore, on or about June 1, 1894 did agree to sell and did sell to Geo T. White and E. F. White, a certain lot of unimproved land situate in Franklin, Virginia and fronting feet on street in said town and further described as follows

That said Geo T. White and E. F. White paid the sum of $100 cash and agreed to pay $100 more in twelve months thereafter with interest thereon from date as the consideration for the said lot. That said M. H. Moore gave them a receipt for the cash payment on the purchase price. That no other writing or memorandum thereof passed between the said parties. That White & Bro. promptly took possession of the said lot, fenced and cultivated the same, and continued in possession until they died. After a careful examination of the laid and facts touching the said claim your Commissioner is of the opinion that the said M. H. Moore is entitled to have a specific performance of his contract, that his claim for $100 with interest thereon from June 1, 1894 should be paid out of the said estates of Geo T. White and E. F. White, deceased upon the execution of a proper deed by the said M. H. Moore conveying the title to the said lot to the heirs of said E. F. White and Geo. T. White, deceased.

All of which is respectfully submitted to the Court.

The Commissioner reports Specially, that he is satisfied, from the evidence, that the Administrator is entitled to Extra Compensation for his services in settling up this Estate in addition to the usual Commissions of 5% on receipts. and has allowed him a fee of Twenty five dollars.
The Commissioner reports further, that in making up this Account he has not charged the Administrator with interest, because he has, out of his own funds, advanced to the Heirs & other parties, for the Estate, about $1300. before it was received from J. C. Parker as Admr and Special Commissioner. and that the balance now in hand has not been in his possession but a little more than thirty days.
