To the Judge of the Circuit Superior court of Law and Chancery for the county of Wayne in Chancery sitting

Humbly complaining shews unto the court your orator William R Adkinson that a certain Marillon Crocker late of said county died on or about the 1st day of July 1841 an infant under 21 years and intestate, that your orator has duly administered on his estate in the county court of Wayne, a certificate of the same being herewith filed marked A as part of this bill; your orator proceeded to take possession of the slaves belonging to his intestate and the same were ruled for a division amongst his heirs at law under a decree of the court of Wayne county your orators intestate was the son of a certain William Crocker late of said county who died intestate about the day of November 1837 leaving as his heirs at law two sons to wit the said Marillon Crocker your orator intestate and a certain Richard Crocker who died intestate under age before the said Marillon to wit on or about the 1st July 1839 and administration on the estate of the said Richard Crocker was granted to a certain James M Jordan of said county a certificate thereof marked B is

herewith filed as part of this bill
The estate of the said William Locke
r was on the 4th December 1837
committed to the hands of a certain
John Locker who together with James
M Jordan Jamd Thomas and John
P Thomas as his securities
entered into a bond in
the penalty of twenty thousand dol
lars payable to the justices of the county
court of Wayne then sitting com
missioned for the proper discharge of
his duties as admr. an attested copy of the
said bond marked C is herewith
filed as is prayed to be taken
as part of this bill; The said Jame
s Thomas died on the day of
January 1841 and administration
on his estate was granted to Frances
Thomas the widow and a certain Joseph
B Whitehead jointly; a certificate of the same
marked D is herewith filed as part
of this bill; the said Frances Thomas
has since intermarried with a certain
Matthew Powell of the county of Nansemond
who is now coadministrator in right of
his wife with the said Joseph B Whitehead
After his qualification as admr. the
said John Locker proceeded to take
possession of the estate and adminis
ter the same; he returned to the
county court of said county on the 4th
day of Nov 1839 an account of his
transactions on his intestates estate
shewing a balance due the estate
of $526.05 on the 1st day of October 1839
with interest on $505.13 part thereof
from that day till paid; On the
face of said account it is manifest
that said John Locker was violating
his duty as admr and mismanag
ing the estate. on the 31st of Dec
1838 he was indebted to the estate in
the sum of $465.21 on the 4th of Feby
1839 he sold a slave for $450 and on
the 6th of May a second for $700, and
on the first of October 1839 he was
in debt to the estate in the sum
of $526.05 shewing that he was
unnecessarily selling slaves of his
intestate and retaining the money
in his own hands charging at
the same time costs on the amount
of sales; your orator is advised and
believes that the item of $300 paid
to Jos. B Whitehead on the 4th Feby 1839
or at least a large portion of it
was not for any debt due from
the said William Lockes estate
but for the maintenance and
education of the children Richard
and Mastillon after their fathers
death and therefore the said item
is improperly charged in the admin
istration account, but should have
been paid by their guardian if they
had any which your orator is
advised they had not. the admr
was surely not justifiable in selling
the slaves of his intestate charging
commissions thereon and then
applying the proceeds for the support

of infants for whom he was not
guardian an attested copy of the
said account marked E is
herewith filed as part of this bill
your orator believing the same to
amount in paying the said sum
of $300 and in charging commission on
the sale of slaves when the same
was not proper or necessary asks
that the said account may be re-
ferred to a Comr of this court for
settlement according to law
Since the 1st October 1935 the
said John Crocker has returned
no additional account nor is it
to be very likely as none is found
on record; your orator is advised
that he has since 1935 sold
several more valuable slaves and
applied the proceeds indiscriminately
to the payment of debts against the
estate of his intestate and to the
education and maintenance of the
said Richard and Marillon Crocker
without pretending to keep separate
account of his transactions as admr.
of the said William Crocker and
as guard guardian of the children
your orator believes the said John
Crocker has by negligence and mis
management injured the estate of
the said William Crocker dec'd, and
although he has sold property to a
large amount, there are debts
against the estate still unpaid

and that moreover the said John Crockett still retains in his hands a large amount of money still due to the estate; your orator is anxious to have a final settlement of the estate in order that he may settle the estate of his own intestate and to that end he has applied to the said John Crockett; but he refuses to settle the estate and your orator is advised is himself totally insolvent and unable to pay any debt or balance he may owe to the estate of the said William Crockett. To the end therefore that relief may be had & forasmuch as he is without remedy at law and can be relieved only in a court of equity, your orator prays the court that the said John Crockett and the said James M Jordan and John P Thomas his securities, the said Matthew Powell & Frances his wife and Joseph B White head admr of Samuel Thomas dec'd who was also his security, and the said James M Jordan as admr of Richard Crockett dec'd be made parties defendant to this bill, that they be required on oath to answer all and singular the allegations therein as if the same were repeated and they thereto particularly interrogated; that the said John Crockett be required to settle his said intestate estate to court and render before a comr of the court a fair and true account of his

subsequent transactions to be stated and settled according to law, and that he be required to pay over such balance as may be found against him due to the estate, and in failure thereof his securities be required to do the same, and may it please the court to grant such further relief in the premises as may be consistent and necessary and your orators as in duty &c

To the Judges of the Circuit Superior Court of
law and Chy. - The joint and separate
answers of Joseph B. Whitehead and Matt
-hew Powell and his wife Frances who was
Frances Thomas before her intermarriage with
Matthew Powell aforesaid, who are defendants
and defts of sworn. Thomas and P. de Jarnett
to the bill of complaint, in the said Contenti
-bitus against them and others, by Mrs
Hollenback and Mrs. Magill as Crocker -
Defendants now and at all times
hereafter saving and excepting to the
manifold errors and imperfections in
the said bill contained, for answer to
so much as they are advised they are
compelled to answer unto, say that
they are in no wise advised that there
was any occasion for the complainant
bringing them before this Court in the
matter charged in the bill - The said
Whitehead and Powell and wife are
the legal representatives of said Thomas
and the other of the said defendants
jointly against saying or that
made responsible for any transactions
of the said John Crocker, and require
strict proof of the allegations charged
by the complainant - They defendants
have heard that after the death of Richd
and Magdalen Crocker into whose
distributes of Wm Crocker decd. of whom
John Crocker is administrator, he the
said John Crocker suffered a division
of the slaves held by him as admr. of
Wm Crocker to be made, and that the said

share was all alienated in kind or sold and the proceeds divided, between those persons who were the distributees of ~~Nicholas~~ Magdalen Crocker who survived his brother Richard Crocker, and they believe the complainant was. Just the division the share to which he was entitled in said slaves. As to the charge in the bill, that John Crocker supported and educated Nicholas and Magdalen Crocker, out of the estate in his hands belonging to them as the distributees and children of Mr Crocker, these defendants can see no equity in the objection that is raised; if John Crocker did pay their expenses for board, tuition &c they were bound to allow it to him, and it might be best for the estate that it should be so paid in distribution, and as the plaintiff claims as the admr of Magdalen Crocker who was one of the distributees of Mr Crocker as well as Richard Crocker, upon the principle of Equity, all advancements made by John Crocker admr of their father to them when they had no guardian, should be allowed to the said administrator as against the distributees for whom he advanced. But if it was true that the amounts paid for Magdalen and Nicholas Crocker, can't be seen placed to the credit of the admr; as has been done in the account, than upon every principle of law or Equity, the said John Crocker and his sureties ought to stand as against the distributees of Magdalen and Nicholas Crocker, in the place of the creditors of said infants whose debts were paid by the said John Crocker. — And that upon hearing, said denials of resettlements of the accounts of the Exs. Jno. Crocker as your orators are informed that may or ought to be, to the Exs. of Jno. Crocker admr as aforesaid, were improperly rejected by the Commissioner and if true, they may be dismissed with their reasonable cost in this behalf sustained —

Commissioners Office August 15th 1843

Joseph B. Whitehead admor. &c. of Magsallon Crocker. Pltf.
against
John Crocker admor. of William Crocker decd. & Deft. } In Chy.

Pursuant to an order of the Circuit Superior Court of Law & Chancery for the County of Isle of Wight held the 8th day of May 1843 Your Commissioner issued his notice to the parties appointing Saturday the 15th of July 1843 at Edwin Morrisons Tavern in the Town of Smithfield for the settlement of the accounts directed by said order — the notice herewith filed mark A. was acknowledged by John Crocker, Frances B. Powell, James M. Jordan & A. Atkinson admr.

At the time & place appointed, your Commissioner entered upon the duties required of him by said order: but for the want of the necessary papers & proofs he was compelled to continue the settlement of the accounts from time to time till this 15th of August 1843 when he closed the accounts — the account of John Crockers administration on the estate of William Crocker decd: hereto annexed marked A shews that on the 31st of Dec. 1842 the said John Crocker was indebted to the estate of William Crocker, the sum of $1292. 48 with Interest from the said 31st of December 1842 on $1139. 25 part thereof till paid —

The accounts of advancements made by John Crocker for the support & maintainance of Magsallon & Richard Crocker his deceased intestates marked B. & C. — shews that the said John Crocker advanced for the support & maintainance of Magsallon Crocker the sum of $587. 50 over & above the said Magsallon's proportion of rents of Land — & for Richard Crocker the sum of $65. 80 over & above his proportion of rents of Land —

Saines M. Jordan admor. of Richard Crocker decd. appeared before your Commissioner & said, that no estate of Richard Crocker had come to his hands to be administered —

On examination of the Accounts of John Crockers admon. on William Crockers estate, reported to the County Court of Isle of Wight, your Commissioner discovered several mistakes & omissions — 1st no credit was given for Negro hires for 1838 & for rent of Land for the '37 which was rented out by the Intestate in his lifetime, but died before the rent became due —

2d On the 20th of Dec. 1840 a credit of $700 was given for the sale of Negro man Edmund — in 1829 Edmund was hired to John M. Shivers & in April of that year he was drowned —

3d In 1840 Negro Woman Lizzy & 3 children were sold to A. Atkinson for $850 — but no credit given for the amounts of their sale —

4th On the 1st of Jan. '30 a charge is made for a payment of $79. 57 paid to John Stutts — the charge should have been $29. 57 — because the account of Stutts shews a payment of $50. by W. Crocker in his lifetime — All of which mistakes & omissions your Commissioner has corrected in the annexed account —

In the Month of June 1841. (in the account reported to the County Court,) the admor. is charged with having received of Jos. B Whitehead Dy&ff. balance of sale of Negro sold under an execution in favour of Thomas — $189. 39. to this charge, the Pltfs. Attr. objected, upon the ground that the Negro was taken by the Shff & sold to satisfy an exon: vs Magsallon Crocker & that the balance after satisfying the exon: was paid by the Shff to Wm R Hollaman admor. of Magsallon Crocker decd & not to John Crocker: —

All of which is respectfully submitted to the Court
