Dear Sir:-

Your letter with  
enclosure rec'd. In the absence of my  
husband I take the occasion to reply.  
You are in error in regard the  
deed of trust. The mortgage given  
was for \$450.00 seven hundred and fifty  
dollars. Can't understand why cousin  
Jason should make any claim in  
the sale at all, as Mr Lee had  
to leave his business to go there  
to make the sale. I will send your  
letter to him, But, am sure he will  
not accept such a small amt  
in settlement of his interest in  
sale. Mr Warren Lott of this city is  
the guardian of the children. I don't  
think the c. has been any interest

paid on the mortgage you speak of.  
But taking in consideration that  
all we had went to pay - for the  
loan of some money Mr Lee borrowed  
of his sister in law. I consider they  
have been paid largely - for all  
he ever got - from any of them. I speak  
plainly, because I have suffered - from  
their injustice. I regret the necessity  
of expressing myself so plainly. However  
it is true. Please make the correction  
if such it is) and let us hear from  
you soon. With best wishes - for  
you and yours

I remain

Very Respt. ly.

be here in a few days, and I will  
then have a conference with him

I think it best to allow the money

Will you kindly inform me how long it

This cause came on this day to be again heard upon the papers formerly read, and upon the report of <sup>Special Commissioner</sup> E.E. Holland, filed herein on the 1st day of October, 1895, to which there are no exceptions, and was argued by Counsel:

On consideration whereof, it appearing to the Court, that there is now filed in these papers a certificate of deposit for the sum of \$761.66, the cash instalment of the purchase price of the lands sold under decree in this cause, the Court doth order and decree that the said Special Commissioner shall be authorized to withdraw said certificate from these papers, collect the same, pay the expenses of sale and costs of this suit, including a fee to counsel of \$100.<sup>X</sup> and then take a new certificate for the amount then on hand and file same in these papers.

the County of Chausmond in  
the State of Virginia, pronoun-  
ced on the 10th. day of October  
1894 in the cause in Chan-  
cery in said Court depend-  
ing between Richard O. Lee  
Complainant, and Mary Vir-  
ginia Lee, James Baker Lee  
and others, Defendants, the  
undersigned, Wilbur J. Kilby,  
one of the Commissioners in  
Chancery of the said Court, re-  
spectfully reports to Court as  
follows:

That on the 14th. day of Feb-  
ruary 1895, after the papers in  
said Cause had been referred  
to him, he issued notice to  
the parties to said cause that  
he would proceed on the 5th. day  
of March 1895 at his office in  
Suffolk, Va. to make the several  
inquiries required by said de-  
cree to be made by one of the  
Commissioners of said Court.

That sufficient and legal service of said notice was duly accepted on the 18th. day of February 1895 by E. E. Holland attorney for the Complainant, who was and is a non-resident of Virginia, and by Richard W. Rawles guardian at litem for all the defendants, who are infants, as will appear by the endorsements on the notice which is herewith returned.

That the proceedings before your Commissioner were adjourned from day to day from the 5th. day of March 1895 until this 21st. day of March 1895, when to enable him to reach a conclusion and answer said inquiries, your Commissioner has taken the depositions of Jas. P. Holland and Robert Rawls touching the said inquiries.

That from the evidence furnished by these witnesses whose examinations are herewith returned, your Commissioner is enabled to report as follows;

1. That the real estate mentioned in the Bill in said cause can not be conveniently divided in kind between the several parties entitled thereto.

2. That no one of the parties has expressed any desire or willingness to take the said real estate and pay the other parties for their interests such sums of money as they may be entitled to receive for such interests.

3. That the interests of those who are entitled to the said real estate or its proceeds will be promoted by a sale of the entire property and the distribution of the proceeds of the sale according to the respective rights of those entitled thereto.

Your Commissioner further reports that by a deed of trust dated the 5th. day of August 1892 and recorded the 8th. day of September 1892 on page 30 in deed-book ch. 31 in the office of the clerk of the County Court of said County, Richard O. Lee, the Complainant, and Minnie Lee his wife

Your Commissioner is informed and so reports that the said debt has not been paid and that the said deed of trust is still a subsisting lien upon said Richard O. Lee's interest in said real estate.

Your Commissioner has not been able to discover any other liens upon said real estate and reports that there are no others.

Respectfully submitted this 21st. day of March 1895.

The depositions of Jason P. Holland and Rob. Rawls taken before me, Wilbur J. Kilby, a Commissioner in Chancery of the Circuit Court of the County of Chaussemond, Virginia, on the 21st. day of March 1895 to be read in evidence in behalf of the Plaintiff in the suit in Chancery depending in said Court between Richard O. Lee, Plaintiff and Mary Virginia Lee, James Baker Lee and others, Defendants.

Present: No counsel for either the Plaintiff or defendants.

Jason P. Holland being duly sworn, deposes and says as follows:

1. Q.

What is your age and occupation, ~~deposes and says as follows:~~ where do you reside and do you know the parties to this suit?

Ans.

I am 52 years of age and my occupation is a farmer. I reside about 1 1/2 miles from Elwood in Holy Creek Magisterial District in Chaussemond County and

2. Q.

Know all the parties to this suit.  
Are you familiar with the  
parcel of land mentioned in the  
Bill in this suit belonging to Rich-  
ard O. Lee and Jas. W. Lee, situ-  
ated in Holy Beck District in  
said County, containing  $5\frac{1}{4}$  acres,  
more or less and adjoining the lands  
of Rob. Rawls, A. J. Piele Eldred  
Holland, Jack Wright's estate and  
others?

If you are, please state:

1. Whether it can be conveniently  
divided in kind between the  
several parties entitled to share  
therein.

2. If it can't be so divided, whether  
any party interested will take the  
entire parcel and pay to the others  
for their interests such sums of money  
as such interests may entitle them  
to receive.

3. If it can't be so divided and  
no party will take it and pay the  
others for their interests therein as  
aforesaid, whether <sup>the</sup> interests of the  
parties will be promoted by the sale  
of the entire parcel, or the allotment

of part and sale of the remainder  
and distribution of the proceeds  
of the sale according to the re-  
spective rights of those entitled to  
share therein;

Ans.

I have known the land for  
30 years, have lived 3 miles  
from it all my life, and am  
therefore, familiar with it. I  
have had charge of it for 10 or  
15 years as agent to rent it out  
for the parties. About 225 acres  
of it ~~is~~ <sup>consist of</sup> a ~~pocon~~ <sup>pocon</sup> ~~from~~ <sup>from</sup> which  
~~the~~ the timber has been largely  
cut, about 240 acres consist of  
old field lands now grown  
up in small timber and  
bushes, and the balance, about  
40 acres, is cleared land, hardly  
worth cultivating. The place is  
in a ~~general~~ <sup>very</sup> dilapidated con-  
dition, ditches have grown up  
with bushes, and the dwelling has  
had nothing done to it for many  
years. I am satisfied that  
owing to the different species  
of the land, it could not be  
conveniently divided in kind,  
one of the parties is willing to

take the entire property, I am  
sure, and pay the others for their  
interests, Richard B. Lee owns a  
 $\frac{1}{2}$  interest, and the children of  
Jas. W. Lee deceased, four in  
number, own the other <sup>half</sup>. These  
children are minors. The land  
could not be conveniently di-  
vided so as to give these parties  
~~their~~ such shares as would be  
of any value to them, and  
the value of the place as a  
farm would be greatly depreci-  
ated by a division among them.  
The children of Jas. W. Lee  
live in Georgia, were born there  
and have lived there all their  
lives. They have no use for the  
land, could make no use of  
it to produce any profit without  
a great outlay of money on it;  
~~a thing they are unable to do.~~ Their  
interests would be promoted by a  
sale of the land, for the money could  
be used for their support and main-  
tenance or invested to produce a  
greater profit for their benefit than  
the land itself. I am of opinion

from my knowledge of the parties,  
their interests and the condition  
of the property, which is growing  
worse and worse year after year,  
that the interests of all parties  
would be promoted by a sale <sup>of the land</sup> and  
the distribution of the proceeds ~~and~~  
between the parties.

And further this deponent says  
not.  
Jas. P. Hollane

Robert Rawls being duly sworn  
deposes and says as follows:

1. Q.

What is your age and occupa-  
tion, where do you reside and do  
you know the parties to this suit?

Ans.

I am 52 years of age, and  
my occupation is a farmer. I  
reside in Holy Creek District  
in Chautauque County and know  
the parties to this suit.

2. Q.

Are you familiar with the par-  
cel of land mentioned in the  
bill in this suit belonging to  
Richard O. Lee & Jas. W. Lee  
situated in Holy Creek District  
in said County, containing 574  
acres, more or less and adjoining  
the lands of A. J. Peel, Eldred

Holland, Jack Wright's estate your own land and others;

If you are, please state:

1. Whether it can be conveniently divided in kind between the several parties entitled to share therein.

2. If it can't be so divided, whether any party interested will take the entire parcel and pay to the others for their interests such sums of money as such interests may entitle them to receive.

3. If it can't be so divided and no party will take it and pay the others for their interests therein as aforesaid, whether the interests of the parties will be promoted by the sale of the entire parcel, or the allotment of part and sale of the remainder and distribution of the proceeds of the sale according to the respective rights of those entitled to share therein.

Ans.

I have known the land ever since the year 1866, have lived on adjoining land ever since that time, and am familiar with it,

The land can't be divided conveniently between the parties. It consists of part pocoson, part old field land and a small part (say 40 acres) cleared land. The buildings, now worth but little, being very old, are on the 40 acres. The old field land has grown up in small timber & the pocoson is of no value for farming purposes. There are 5 parties interested in the land. Now to divide it so as to give each one a share of any value as farming land, or calculated to produce any rent or income, would be impracticable, while such share would be rendered less valuable and saleable set-off to itself. The land has been run down until now it would take considerable money to clear it and make a profitable farm of it. All the parties live in Georgia and have lived there many years, and will no doubt not spend any money on it. I know of no one of them willing to take it and pay the others for

their shares. The children of Jas. W. Lee who are interested would be benefited by a sale. I am sure for they could invest the money <sup>for their shares</sup> where it would pay their interest, or use it for their education and maintenance, while the land is a source of no income to them whatever. It rents out for only \$50. <sup>a year</sup> and the tenant complains that it is too much. After paying expenses and taxes there is nothing left for the owners. The interests of these children would certainly be promoted in this state of affairs by a sale of the entire property and payment to them of their shares in money.

And further this deponent says not.

R.O.Lee vs Lee and others-

The answer of Richard H.Rawles, an attorney at law, guardian ad litem to the infant defendants, Mary Virginia Lee, James Baker Lee, Eva Elizabeth Lee, and Richard Fitzhugh Lee, and the answer of said infant defendants, Mary Virginia Lee, James Baker Lee, Eva Elizabeth Lee and Richard Fitzhugh Lee, by Richard H.Rawles, their guardian ad litem, to a bill in equity exhibited against them in the Circuit Court of Nansemond County by Richard O.Lee-

For answer to said bill, the said guardian ad litem, answers and says that he does not know whether the interests of said infant defendants would be promoted by a sale or division of said land as prayed for or not; and the said infant defendants by their guardian ad litem, answer and say, that being infants of tender years they know nothing of the matters mentioned in said bill, and commit the protection of their interests to the Court. And now having fully answered they pray, &c-

*R. H. Rawles*

Guardian ad litem to Mary Virginia Lee, James Baker Lee, Eva Elizabeth Lee and Richard Fitzhugh Lee, and the said infant defendants by said Richard H.Rawles, their guardian ad litem-

Answer off to the letter.

In the Circuit Court of the County of Nansemond:-

To the Hon. C.W. Hill, Judge of said Circuit Court of said County-

Your complainant, Richard O. Lee, humbly complaining, shows the following case:-

That Isaac Lee, by his last will and testament devised to your complainant and James Wilson Lee, subject to certain life interests of Mary Eliza Lee, Peter Lee and Pleasant Lee in certain parts thereof, the following real estate, to wit:

"All that certain tract of land in Holy Neck Magisterial District in Nansemond County, Virginia, containing five hundred and fourteen acres, more or less, and adjoining the lands of Robert Rawles, Jack Wright's estate, A. J. Peele, Eldred Holland and others".

That Mary Eliza Lee and Peter Lee to whom live-estates were given are now dead, and that Pleasant Lee who still lives has a life interest in only ten acres of said land-A copy of said will above referred to marked Exhibit "A" is herewith filed and prayed to be read as a part of this bill.

That the said James Wilson Lee has since departed this life, leaving a widow (who has also since died) and Mary Virginia Lee, James Baker Lee, <sup>Elizabeth</sup> Eva ~~Fitzhugh~~ Lee and Richard Fitzhugh Lee as his children and only heirs at law. The said named children of the said James W. Lee, deceased, are all infants under the age of twenty one years.

Your complainant desires a partition or sale of said lands, and here states that the said real estate is, as he verily believes, susceptible of partition among the parties entitled thereto; but if it be not, then your complainant desires the same to be sold, and the proceeds of sale divided among the adult and infant defendants and all the parties, according to their respective rights; the shares of the infant defendants

to be held as directed by the statute in that case made and provided. Should the property not be divisible in kind, your complainant believes and here states, that the interests of those who are entitled to said real estate or its proceeds, will be promoted by a sale of the whole of said real estate, or by an allotment of part and sale of the residue. In tender consideration, and forasmuch as your complainant is remediless in the premises save by the aid of a court of equity, where matters of this kind are alone and properly cognizable, your complainant prays that the said Mary Virginia Lee, James Baker Lee, Eva Elizabeth Lee and Richard Fitzhugh Lee may be made parties defendant to this bill; that a proper guardian ad litem may be assigned the said infant defendants to defend their interests in this suit who shall also answer this bill; that proper process issue; that the said real estate be divided in kind between the several parties entitled thereto, and that your complainants portion thereof may be allotted to him, and in case the said real estate cannot be partitioned and divided in kind, that the same be exposed to sale, and the proceeds of such sale be divided among the parties entitled thereto; that proper counsel fees be allowed; that all proper orders and decrees may be made, and proper enquiries be directed, and that all such other, further and general relief may be afforded your complainant as the nature of his case may require, or to equity shall seem meet. And your complainant will ever pray, &c.
